

# myMSC – ENHANCEMENTS

NEW

## Recent changes in myMSC

- Save your online draft and edit it at a later time.
- Preview your draft – when making amendment and you save the draft, you can preview it with the ‘print’ button.
- Place your bookings and manage your shipment via our brand new myMSC app, available on iOS and Android.

COMING SOON

## Upcoming changes in myMSC

- New layout of the draft notification email.
- Share your draft with a 3<sup>rd</sup> party directly from your draft screen.  
If you have an account, you can follow up who made the last change in your dashboard.
- View the log of amendments of your draft.
- Only 1 user can edit the draft at the same time.
- Containers in your draft will be listed with numbering.
- Changing HS Code in the eSI and draft will prompt a warning message if you want to overwrite the cargo description
